Hello Ma'am,

The numbers coming for overdue training means persons wise training overdue till date. Like if one person nominated for 10 trainings and that all 10 trainings are due by date, and such other trainings and other persons figures come in overdue numbers. So the figure 436 shows that although that particular training was completed, some nominated persons did not attend those training. So this can't be fixed in the system.

Thanks & Regards,

Dear Sir,

As per our training process in Einfame, have found that the Management report has shown overdue number 436, this number is not been clear.

Please explain how it comes by which calculation.
