Hi Jalaj,

The Project task report is fixed to show correct Planned Efforts, Actual Efforts & Variances.  
In dynamic reports like these, excel export is currently not supported.

Regards,  
Prashant

**Ticket Description:***In Project Task report :*

1. *Planned Efforts are not showing.*
2. *Actual Efforts not showing correctly.*
3. *Actual efforts and Actual cost are coming same, while ration already mentioned grade wise.*
4. *Variances are not coming.*
5. *Tabular format should correct means freeze top row and first column.*
6. *Required export facility.*
