Prashant ji,

As discussed yesterday, please schedule an understanding session for Talent needs & maps on 3rd August 2022 (Wednesday) at 2.30 PM.

Also as discussed below are some implementation required in Einframe :

1. The efforts in person hrs not compute for Tools, as we take them as user on schedule due to resource allocation.
2. In project wise resource loading page, there is link on data for below details :

Project name

Task name

Loading percentage

Hope we'll hear from you soon

Thanks & Regards,
