Hi Jalaj,

I am good and hope the same for you.

These points are still pending and I don't think we can do them by tomorrow. The reason being a couple of our team members facing medical issues and weren't coming to work from 2 weeks.

However, we will try to deliver on all pending items by end of this week, so if you want, I can take a session next week.

My sincere apologies for the delay.

Regards,
Prashant

Hello Prashant ji,
Hope you are doing well.

With reference to trailing mail, please find the current status of all user feedbacks (ticket numbers), kindly update on pending points.
Also please share status of one report which was pending i.e. publish wise project tasks report :

Select Project	Drop Down List
----------------	----------------

Task ID	Task Description	Publish-1		Publish-2		Actual Start	Actual End	Schedule Variance	Planned Efforts	Actual Efforts	Effort Variance	Planned Cost	Actual Cost	Cost Variance
		Planned Start	Planned End	Planned Start	Planned End									

Can we expect these till tomorrow, and can you take one session on these points at tomorrow evening approx. 3 PM.

Hope I'll hear from you soon.

Thanks & Regards,

Hi Jalaj,

The status report is correct. We have a few pending items and a few items on hold.
We will try to incorporate the status reporting inside the EinFrame admin panel itself.

Will keep you posted on the changes.

Regards,
Prashant

Subject: Feedbacks report

Hello Prashant ji,

I fetched the feedback report from Einframe till date, and tried to mention their status and corresponding remarks. Please find that and also verify at your end. I recommend that this status and remarks are included in this report from your end, so that we can trace, check and see all feedbacks, how much closed, how much rejected, how much hold, how much are in progress etc.

Hope I'll hear from you soon.

Thanks & Regards,
