Tarun Sir,  
With reference to trailing mail, basic introduction session of SVN done on that day.  
For further understanding and work please arrange the proper training on "Use and maintain of SVN" to all team members.

Thanks & Regards,

**Jalaj Mathur** | Manager

Dear Team,

As you all are aware that we'll use SVN as a version control tool from now onwards. For this we need to install **TortoiseSVN** in our computers. The setup lies at the link below. There are two types of setups one is for 32 bits systems and one is for 64 bits systems. So please install accordingly :

\\10.0.1.12\ProcessDoc\Others\Tortoise SVN

We'll do an introduction session either today after 5 PM or tomorrow morning.

Thanks & Regards,

**Jalaj Mathur** | Manager
