One more point which i missed in previous mail is

--> Assigned tasks in project / Project plan view to all team members / intimation via mail.

Thanks & Regards,

2. Just like Man power assigning in each tasks, we require Machines / tools assigning in tasks.

3. Document upload during task activities and show at report page.

Hope we'll hear from you soon.

Hello Prashant ji,

Now all mails are corrected in the system and all users got their login details and also they did login in the system.

Now we can do the user training session tomorrow. Please confirm and schedule.

Thanks & Regards,

Prashant ji,

I edited profile of those four persons who have same mail id "get.gilrnd@genusinnovation.com" and mentioned mail ids as below, please send mail to them with their user name and password :

get.gilrnd+abhishek@genusinnovation.com

get.gilrnd+rajshekhar@genusinnovation.com

get.gilrnd+rohit@genusinnovation.com

get.gilrnd+vikash@genusinnovation.com

One person Raghvendra with mail id raghvendra.thakur@genusinnovation.com, still not got mail.

I am sending this email to jalaj.mathur+test@genusinnovaiton.com

If you receive this, it means you can use plus email addresses. For e.g., you can use get.gilrnd+pankaj@genusinnovation.com or get.gilrnd+prashant@genusinnovation.com for different users using same email inbox.
